**The following call script was used by Ron Totton, President and Chief Executive Officer, and Jared Deith, Executive Vice President and Chief Revenue Officer, of KORE Group Holdings, Inc., a Delaware corporation (“KORE”) in calls to certain customers of KORE on February 27, 2026.**

Customer Call Script: CEO and CRO

Objective: To personally and proactively inform key customers of the transaction, reassure them of continuity, and reinforce the value of the partnership.

Participants:

- CEO (Ron Totton)
- CRO (Jared Deith)
- Customer

Ron: Hi [Customer Name], Ron Totton calling from KORE. I have our CRO, Jared Deith, on the line with me as well. We wanted to call you personally with some exciting news about the future of our company.

Ron: This morning, we announced that KORE has entered into an agreement to become a private company, backed by our longtime partners and investors, Searchlight and Abry.

Ron: We are incredibly enthusiastic about this, as it marks a new chapter that will allow us to accelerate our long-term strategy and double down on our commitment to IoT innovation.

Jared: Exactly, Ron. And [Customer Name], the main reason we’re calling you directly is to assure you that from your perspective, it is business as usual.

Jared: Nothing is changing about our relationship. Your services, contracts, and the account team you work with every day will all remain the same. Our commitment to your success is stronger than ever.

Ron: That’s the key point. This move gives us more flexibility to invest in the next-generation connectivity and solutions that will directly benefit your business. By moving away from the short-term focus of the public markets, we can be even more dedicated to our long-term partnership and your long-term success.

Jared: We see this as a huge positive that will allow us to be an even better partner to you. You’ll be receiving an email with the official communication shortly, but we wanted you to hear it from us first.

Jared: We genuinely value your partnership and wanted to see if you had any immediate questions we could answer.

Ron: Thank you for your continued trust in KORE. We’re excited about this next step and look forward to continuing to grow with you.
